

**The Perfect Mother** Vanity Fair calls it one of the most anticipated books of the summer. Soon to be a major motion picture starring Scandal's Kerry Washington. An addictive psychological thriller about a group of women whose lives become unexpectedly connected when one of their newborns goes missing. They call themselves Vanity Fair calls it one of the most anticipated books of the summer. Soon to be a major motion picture starring Scandal's Kerry Washington. An addictive psychological thriller about a group of women whose lives become unexpectedly connected when one of their newborns goes missing. They call themselves the May Mothers—a collection of new moms who gave birth in the same month. Twice a week, with strollers in tow, they get together in Prospect Park, seeking refuge from the isolation of new motherhood; sharing the fears, joys, and anxieties of their new child-centered lives. When the group's members agree to meet for drinks at a hip local bar, they have in mind a casual evening of fun, a brief break from their daily routine. But on this sultry Fourth of July night during the hottest summer in Brooklyn's history, something goes terrifyingly wrong: one of the babies is abducted from his crib. Winnie, a single mom, was reluctant to leave six-week-old Midas with a babysitter, but the May Mothers insisted that everything would be fine. Now Midas is missing, the police are asking disturbing questions, and Winnie's very private life has become fodder for a ravenous media. Though none of the other members in the group are close to the reserved Winnie, three of them will go to increasingly risky lengths to help her find her son. And as the police bungle the investigation and the media begin to scrutinize the mothers in the days that follow, damaging secrets are exposed, marriages are tested, and friendships are formed and fractured. ...more [The Perfect Mother PDF ebook](#)
